EMPLOYEE TRANSFER GUIDE/CHECKLIST

Do NOT mark an employee in Paycor as terminated who is going to be transferred to another location. All information for the employee in Paycor will be “picked up” from the location files that the employee is transferring from and “dropped into” the Paycor files for the location that the employee is transferring to. If the employee is marked as terminated then this transaction cannot take place.

Name of Employee

Business Manager/Bookkeeper from location that employee is transferring from contacts the Business Manager/Bookkeeper that the employee is transferring to. (During this communication determination is made between the Business Managers/Bookkeepers in regards to final pay/benefits/ & date of transfer.)

Both locations complete a change of benefit form and forward change form to Sheri Hall at the Chancery.

No less than one week prior to needing transfer completed, Business Managers/Bookkeepers from both locations will e-mail Personnel Services Coordinator at the Chancery with a cc to each other with the following information:

Employee currently located at _____/_____
Parish Name Parish #

Employee transferring to _____/_____
Parish Name Parish #

Date of Transfer

Final Pay at location transferring from will take place on mm/day/year

First Pay at location transferring to will take place on mm/day/year

Personnel Services Coordinator, will notify via e-mail Business Managers/Bookkeepers from both locations, once the transfer has taken place.

Business Manager/Bookkeeper at location employee is transferring to will verify that all information under the employee tabs in Paycor are accurate and, if necessary, make any changes to the employee’s file before processing payroll. (A good way to verify this is to run an employee profile change report located under Tools>Reports>Report Wizard>Employee Profile Change Report).

Business Manager/Bookkeeper at location employee is transferring to will verify their Pre-Post Report in Paycor prior to submitting payroll to assure that all payroll data is correct.
