

Together, we're helping you stay well. Here's your FREE Walgreens Health Test voucher!*

When redeeming this offer, please follow these simple steps:

- Fasting is not required.** For the best results for the full cholesterol panel test, fasting for 9 - 12 hours of no food or drink (other than water) is an option, unless advised otherwise by your physician.
- Have your health tests performed at a Walgreens pharmacy or Healthcare Clinic.** Appointments are required at Walgreens pharmacy. If a same day appointment is requested at the pharmacy, please call ahead to confirm. Appointments are preferred, but walk-ins are welcome at a Healthcare Clinic.
To schedule your health tests, visit Walgreens.com/schedule. On the left choose either the Pharmacy or Healthcare Clinic.
-To schedule an appointment at your nearest participating Walgreens pharmacy, check "Wellness Pack" as the type of health test in the scheduler tool.
-To schedule an appointment at your nearest participating Healthcare Clinic, check "Health Screening" as the Reason for Visit, then check "Health Screening (ages 18+)" in the scheduler tool.
- At your Walgreens pharmacy or Healthcare Clinic,** in order to get tested and earn Vitality Points, you must present the completed voucher below and your Humana insurance or HumanaVitality membership card at the beginning of your visit. You will also be asked to complete a Release of Information form that allows us to send the medical information obtained during this visit to a third party.

If going to a Healthcare Clinic, please sign in at one of the touchscreen kiosks and follow the steps below:
Select "Health Screening/Biometric Screening (18+)" when prompted.
Next, when prompted please select "I have a voucher, special offer or gift card" on the touchscreen.
Be sure to enter your name as it appears on your Humana insurance or Humana Vitality ID card.

This voucher entitles the bearer to receive the following health tests at no charge: one Blood Glucose Test, one Full Cholesterol Panel Test and one Blood Pressure Test, plus height, weight, BMI and waist circumference.*

A wellness benefit brought to you by Humana Vitality. Information below must be completed prior to receiving your tests. Print legibly.
Please Note: Your name must match the name on your Humana Insurance or HumanaVitality membership card.

Patient Name: _____

Date of Birth: _____
(MM/DD/YYYY)

Member ID _____

Effective Date: 09/13/2014 Expiration Date: 09/13/2015

Walgreens instructions:

- Ensure patient information on voucher is completed and matches photo ID.
- Obtain signed authorization for Release of Information (ROI) form. NOTE: This vendor will not pay for service without signed ROI.
- If unable to obtain signed ROI form, advise patients they can proceed with the health testing through the normal cost channels (e.g., cash payment).
- Use the promotion code HUMA. Scan bar codes on Patient Responsibility Estimate (PRE).
- Use the Member ID for the Health Testing ID.
- Please staple used vouchers to patient consent form.

Healthcare Clinic instructions:

- Ensure patient information on voucher is completed and matches photo ID.
- Obtain signed authorization for Release of Information (ROI) form. NOTE: This vendor will not pay for service without signed ROI.
- If unable to obtain signed ROI form, advise patients they can proceed with the health testing through the normal cost channels (e.g., cash payment).
- Enter promotion code HUMA.
- Execute biometric screening in EMR: 80061, 82962, 99401.
- Ensure Member ID and Group ID are entered in EMR
- Scan all documents (voucher, photo ID, ROI, etc.) into EMR.

*Tests are available to ages 18 and over at select Walgreens pharmacies during pharmacy hours and Healthcare Clinics during regular hours of operation. Not valid in Take Care Medical Practice in NY. Visit Walgreens.com/Clinic for additional information. Subject to availability. Limit one per person per enrollment year. No purchase necessary. Nontransferable. Reproductions of this voucher are void. Test results are not for diagnostic or treatment purposes and are not conclusive as to the absence or presence of any health condition. Recipients are encouraged to report test results to their primary care provider. Pharmacist consultation with patient does not constitute medical advice. All other services at Healthcare Clinics are to be charged separately. Patient care services provided by Take Care Health Services, an independently owned professional corporation whose licensed healthcare professionals are not employed by or agents of Walgreen Co. or its subsidiaries, including Take Care Health Systems, LLC.
