Choose HumanaDental benefits

Be healthy

Good dental health is a reflection of good overall health. For example, the Academy of General Dentistry says there is a link between gum disease and heart problems, and the American Academy of Periodontology says severe gum disease can increase blood sugar, increasing the risk among diabetics. HumanaDental's Preventive Plus plan focuses on prevention, providing two exams and cleanings per calendar year.

Be successful

Did you know 74 percent of adult Americans believe that an unattractive smile could hurt a person's chances for career success? That's according to the American Academy of Cosmetic Dentistry. HumanaDental's Preventive Plus plan helps you maintain a healthy and attractive smile.
