

Service of Healing for Survivors of Abuse: A Gathering for the Healing of the Body of Christ

Over the past several months, Archbishop Kelly and other representatives of the Archdiocese have been meeting with victims/survivors of clergy sexual abuse. With the leadership of the survivors' group at Holy Spirit Parish, a prayer experience has been developed. Through this prayer service, we will call upon God to guide our efforts to heal and reconcile our Catholic community.

Survivors of abuse, family members, friends, parishioners and anyone who has been hurt by this crisis are invited to attend.

This service of healing will be held on:

Sunday, May 23, 2004

2:30 p.m.

**Holy Spirit Parish
3345 Lexington Road**
