## Choose HumanaDental benefits

### **Be healthy**

Good dental health is a reflection of good overall health. For example, the Academy of General Dentistry says there is a link between gum disease and heart problems, and the American Academy of Periodontology says severe gum disease can increase blood sugar, increasing the risk among diabetics. HumanaDental's Traditional Preferred plan focuses on prevention, providing two exams and cleanings per calendar year.

### **Be financially-savvy**

Your dentist can often detect medical issues before they become severe. HumanaDental's Traditional Preferred plan offers you a long list of covered services to take care of your health and your pocketbook.

### **Be successful**

Did you know 74 percent of adult Americans believe that an unattractive smile could hurt a person's chances for career success? That's according to the American Academy of Cosmetic Dentistry. HumanaDental's Traditional Preferred plan helps you maintain a healthy and attractive smile.
