## Our Purpose

The goal of the **Louisville Catholic Men's Conference** is to help men throughout the archdiocese become more deeply involved with their faith and in their parishes; to engage fully in service, evangelization and networking with others; to deepen their personal relationship with Jesus Christ; to share their Catholic faith with other men; and to seek answers to important life questions.

We address questions like:

- *What should Catholic men do and be in today's world?*
- *How can men strengthen their family life, work life, and faith life?*
- *How can men become better fathers, husbands and leaders?*

The theme of this year's conference on **March 18, 2017** is **"Go Be The Difference"**. We will provide participants with an opportunity to respond and engage with this theme.
