

ARCHDIOCESE
OF LOUISVILLE

**Archdiocese of Louisville Catholic Schools
Coronavirus (COVID-19) Update
March 12, 2020 (5:00 p.m.)**

Dear Catholic School Leaders and Parents,

Archdiocese of Louisville Catholic Schools will be closed Monday, March 16, 2020 through Friday, April 3, 2020 in response to Governor Andy Beshear's recommendation that all Kentucky schools close as one of several preventive measures to address the COVID-19 outbreak. All Catholic school activities are also canceled during this time.

Each Catholic school will communicate directly with parents to share specific information about opportunities and requirements to continue studies through alternative methods of instruction.

We will resource and support our Catholic school leaders and teachers as they serve our students in the coming weeks. This remains an ever-changing situation, and we will continue to communicate with you as updates occur.

Thank you,

***Leisa Schulz
Superintendent of Schools***
