

Employer Matching Gifts

Did you know many companies offer employer matching gift programs to encourage employees, retirees and/or spouses to contribute to charitable organizations? Most companies who offer these programs match dollar for dollar, and many will even double or triple the impact of your contribution.

Simply request a matching gift form from your employer and submit the completed and signed form along with your gift to the Archdiocese. Your employer will then send the matching gift once the Archdiocese of Louisville has verified the request.

The following is a *partial* list of matching gift companies and organizations may change their policies at any time. Please consult your Human Resources Department for more details.
