## EUCHARISTIC RESERVATION:

### HOLY COMMUNION AND WORSHIP OF THE EUCHARIST OUTSIDE MASS

Paul Turner

In eucharistic adoration, the faithful spend time in the presence of Christ, who in turn is present to them. In communion services, the faithful unable to participate in the sacrifice of the Mass can still receive its fruit. The Catholic Church wraps both ceremonies inside a larger book called Holy Communion and Worship of the Eucharistic Mystery outside Mass. A revised English translation invites a renewed acquaintance with these forms of prayer. Where did they come from? What is their purpose? How are they best celebrated? In Eucharistic Reservation, Paul Turner explains the new translation of these guidelines and refreshes all those who find delight in the eucharistic presence of Christ even when Mass is over.

## EUCHARISTIC ADORATION AFTER VATICAN II

Edward Foley

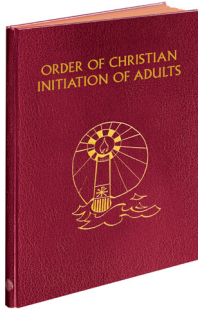

There were radical changes in the Order of Mass promulgated by Pope Paul VI in 1969. Beyond the use of the vernacular, these included a more dialogic format of the Mass, the transformation of the offertory rite to a preparation of gifts, a complete revision of the lectionary, new eucharistic prayers, and communion under both forms. In Eucharistic Adoration after Vatican II, Edward Foley examines the relationship between Vatican II, liturgical prayer, and contemporary eucharistic adoration and devotions.

## AN INTRODUCTION TO THE OCIA: THE VISION OF CHRISTIAN INITIATION, REVISED EDITION

Ronald J. Lewinski with updates by Victoria M. Tufano

*The Order of Christian Initiation of Adults* (OCIA) is the Church's ritual for welcoming and forming adults and children of catechetical age in the way of Jesus as it is lived in the Roman Catholic tradition. In this resource, Fr. Ronald J. Lewinski provides a basic and thorough introduction to the Church's vision for the process of Christian initiation, guiding initiation ministers through the various rituals and steps of the OCIA through the lens of conversion, evangelization, and discipleship. This book is an excellent resource for new and experienced initiation ministers as well as for those who seek a deeper understanding of how the Church welcomes and initiates adult Catholic Christians. This revised edition has been updated to reflect the new translation of the *Order of Christian Initiation of Adults*.

## A PASTORAL AND THEOLOGICAL COMMENTARY ON THE *ORDER OF CHRISTIAN INITIATION OF ADULTS*

Edited by Victoria M. Tufano

The recent retranslation and US adaptation of the Order of Christian Initiation of Adults can be seen as the work of the Second Vatican Council continuing to unfold, fulfilling the council's mandate to draw up texts and rites so that they "express more clearly the holy things that they signify" (Sacrosanctum concilium, 21). In this present volume, *A Pastoral and Theological Commentary on the Order of Christian Initiation of Adults*, fourteen authors—all scholars and pastoral ministers steeped in the Church's living liturgical tradition—help us appreciate this unfolding more deeply by presenting the historical development and theological significance of the OCIA rites and texts, thus enriching our pastoral practice.

Introductory essays present a contextual foundation, including discussion of historical and theological roots and an exposition of Christian Initiation: General Introduction. Then, following the structure of the OCIA, eight

chapters of commentary concentrate on each stage of Christian initiation, from acceptance into the Order of Catechumens through the Period of Mystagogy, including chapters on the Rites for Particular Circumstances. Further commentaries on the musical enrichment of the rites and on the newly revised National Statutes for the Catechumenate round out this panoramic, yet accessible, view of the rites of the OCIA.

## BE RENEWED: A GUIDE TO THE SACRAMENT OF RECONCILIATION

Father Paul Turner

In this commentary on the revised English translation of *The Order of Penance*, Paul Turner explains in detail how the sacrament of renewal has itself undergone renewal since the first edition approved shortly after the Second Vatican Council. Turner highlights important elements within the revised translation including: the history behind the revised order of service and the words of absolution; an explanation of how and why the ceremony was revised after the Council; changes for communal reconciliation services; and the first translation of proposed examinations of conscience to prepare a community for reconciliation. This commentary invites all Catholics to consider the sacrament anew by preparing a spiritual path upon which the faithful may walk in search of forgiveness and experience a profound encounter with the mercy of God.

## PREPARING MUSIC FOR CATHOLIC LITURGY

Jamie Cortez, Christopher Ferraro, and Valerie Lee-Jeter

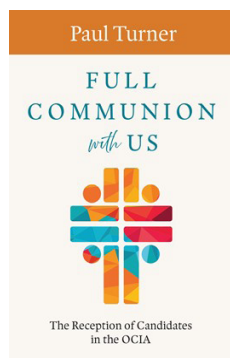

Singing the liturgy is one of the most important aspects of the faithful's participation at Mass. Music gives the liturgy a more dignified expression of praise for God, its texts reflect our Catholic beliefs, and the shared prayer unifies the faithful as one Body in Christ. Music ministers have an important role as people of prayer. And in that role, they must know how to select music that is liturgically appropriate, pastorally accessible, and of high musical quality. This resource provides a simple overview of the meaning of the liturgy and the role music plays in the liturgical rites. Grounded in the liturgical documents, it will help diverse communities of faith participate through singing the Mass and sacramental rites of the Church.

## FULL COMMUNION WITH US: THE RECEPTION OF CANDIDATES IN THE OCIA

Paul Turner

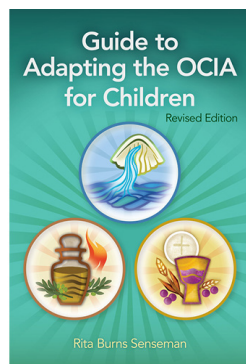

The Order of Christian Initiation of Adults offers pathways for preparing both unbaptized catechumens entering into the Christian life and validly baptized Christians of other denominations who seek to enter into the Catholic Church. However, there is often confusion about the proper ways of accompanying those who are already baptized and celebrating the sacraments of initiation with them. In *Full Communion with Us*, Paul Turner provides an in-depth analysis of the pages of the OCIA that concern baptized candidates, with guidance that takes seriously both the liturgical rites and the Catholic Church's ecumenical commitments. Those who are preparing the formation as well as the liturgical celebrations pertaining to baptized candidates will find this an invaluable resource.
