MANUAL PARA PROCLAMADORES DE LA PALABRA 2027

Maria Jose Delgado, Raúl Duarte Manuel Villalobos, Salvador Cisneros

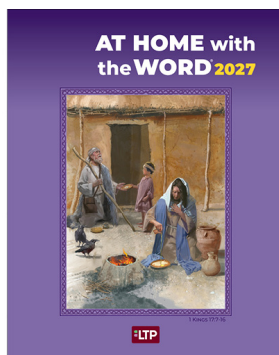

Manual para proclamadores de la palabra prepares Spanish-speaking readers to proclaim the Scriptures by providing them with Scripture commentary, advice for proclamation, large print readings for practice, and pronunciation aids. It is a great resource for proclaiming the Word of God in liturgical celebrations and ongoing formation when studied each week.

It includes the biblical readings for the holy days of obligation, solemnities and feasts approved by the USCCB. Each reading is presented in sense-line format with bold print suggesting words to emphasize so that readers can practice their proclamations. Brief information on each reading helps to set its cultural setting, and the margin notes give advice for dynamically

proclaiming the Word. LTP collaborates in the faith formation of ministers of the Word of God so that this Word may be embraced in every liturgical celebration, the summit and source of the life of the Church.

MAGNIFICA HUMANITAS: ON SAFEGUARDING THE HUMAN PERSON IN THE TIME OF ARTIFICIAL INTELLIGENCE

Pope Leo XIV

Magnifica Humanitas is Pope Leo XIV's bold and timely first encyclical, a sweeping meditation on artificial intelligence, human dignity, technology, war, labor, truth, and the future of civilization itself. Framing the modern world as a choice between the Tower of Babel and the rebuilding of Jerusalem, Pope Leo confronts the promises and perils of AI with spiritual depth, moral clarity, and prophetic urgency.

Drawing from Scripture, philosophy, and the rich tradition of Catholic social teaching, *Magnifica Humanitas* offers a compelling Christian vision of the human person in an age increasingly shaped by machines.

PREPARING MUSIC FOR CATHOLIC LITURGY

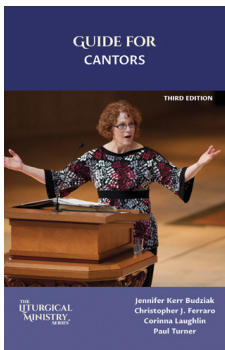

Jamie Cortez, Christopher Ferraro, and Valerie Lee-Jeter

Singing the liturgy is one of the most important aspects of the faithful's participation at Mass. Music gives the liturgy a more dignified expression of praise for God, its texts reflect our Catholic beliefs, and the shared prayer unifies the faithful as one Body in Christ. Music ministers have an important role as people of prayer. And in that role, they must know how to select music that is liturgically appropriate, pastorally accessible, and of high musical quality. This resource provides a simple overview of the meaning of the liturgy and the role music plays in the liturgical rites. Grounded in the liturgical documents, it will help diverse communities of faith participate through singing the Mass and sacramental rites of the Church.

SERVANTS OF THE MYSTERIES: CHURCH, EUCHARIST, AND PRIESTHOOD

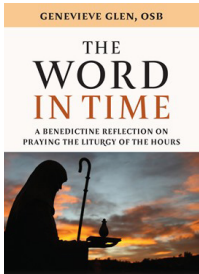

John Baldovin, S.J.

The theology of the ordained priesthood has been unfinished business following Vatican II, especially with regard to the priest as sacramental minister. In *Servants of the Mysteries*, John Baldovin brings the theology and sacramental practice of Catholic priests in line with Vatican II's commitment to full, active, and conscious participation of all the faithful in the liturgy in light of insights from contemporary Catholic theology of the Eucharist.

A comprehensive theology of the sacramental role of the priest has long been missing. After forty years of teaching and writing on the relation between ordained priesthood and the Eucharist, Baldovin helps fill that lacuna. *Servants of the Mysteries* provides a way forward for a greater understanding and appreciation for the role and practice of the priest in presiding in and from the thought and vision of the Council.

EUCCHARISTIC RESERVATION:

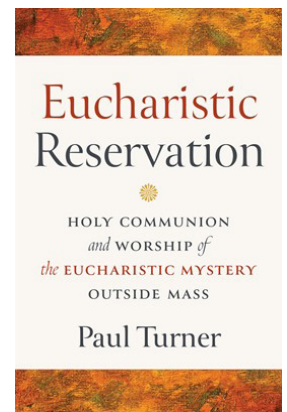

HOLY COMMUNION AND WORSHIP OF THE EUCHARIST OUTSIDE MASS

Paul Turner

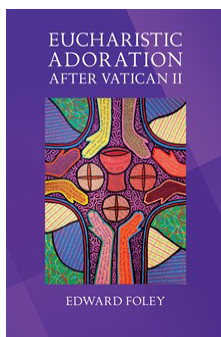

In eucharistic adoration, the faithful spend time in the presence of Christ, who in turn is present to them. In communion services, the faithful unable to participate in the sacrifice of the Mass can still receive its fruit. The Catholic Church wraps both ceremonies inside a larger book called *Holy Communion and Worship of the Eucharistic Mystery outside Mass*. A revised English translation

invites a renewed acquaintance with these forms of prayer. Where did they come from? What is their purpose? How are they best celebrated? In *Eucharistic Reservation*, Paul Turner explains the new translation of these guidelines and refreshes all those who find delight in the eucharistic presence of Christ even when Mass is over.

EUCCHARISTIC ADORATION AFTER VATICAN II

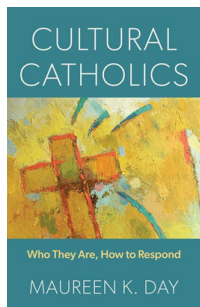

Edward Foley

There were radical changes in the Order of Mass promulgated by Pope Paul VI in 1969. Beyond the use of the vernacular, these included a more dialogic format of the Mass, the transformation of the offertory rite to a preparation of gifts, a complete revision of the lectionary, new eucharistic prayers, and communion under both forms. In *Eucharistic Adoration after Vatican II*, Edward Foley examines the relationship between Vatican II, liturgical prayer, and contemporary eucharistic adoration and devotions.

CULTURAL CATHOLIC: WHO THEY ARE, HOW TO RESPOND

Maureen K. Day

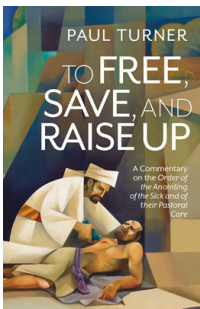

Who are “cultural Catholics” and how do we connect with them? Written by award-winning sociologist and professor of religion Maureen K. Day, *Cultural Catholics* tells the story of those who consider themselves Catholic, but infrequently attend Mass. This accessible book examines cultural Catholics on a range of topics, allowing readers to come to a better understanding of this group, and offers ministerial insights for connecting with and accompanying them on their spiritual journeys.

Cultural Catholics comprise just over half of self-identified Catholics in the United States. Typical efforts or questions of outreach come from parishes, but because most cultural Catholics are loosely tethered to parish life, the standard avenues of Catholic ministry do not reach them in any reliable way. Using a nationally representative survey of more than 1,500 American Catholics as well as insights from ministry leaders, this book allows readers to see the differences and similarities in how cultural Catholics relate to their faith compared to Catholics in the pews. It also explores cultural Catholics’ religious beliefs and practices, political and civic commitments, parish experiences, and concludes with concrete, evidence-based pastoral approaches.

TO FREE, SAVE, AND RAISE UP: A COMMENTARY ON THE ORDER OF THE ANOINTING OF THE SICK AND OF THEIR PASTORAL CARE

Paul Turner

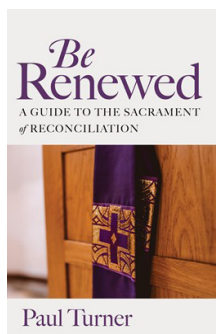

The revised translation of the Order of the Anointing of the Sick and of their Pastoral Care is an opportunity for the church to recommit to pastoral care of the sick. It is also an opportunity to catechize the faithful anew on the heightened importance of Viaticum and the church’s sacramental life when a person is in danger of death. In *To Free, Save, and Raise Up*, Paul Turner offers a commentary on this ritual book, with pastoral insights for priests and deacons who use it in their ministry, as well as important background on the Second Vatican Council’s changes to the sacraments for the sick, the deliberations that produced the revised rite, and the translation process. This practical guide serves as a helpful resource for priests, deacons, and all who participate in this important ministry.

BE RENEWED: A GUIDE TO THE SACRAMENT OF RECONCILIATION

Paul Turner

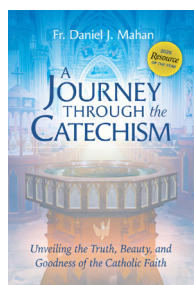

In this commentary on the revised English translation of *The Order of Penance*, Paul Turner explains in detail how the sacrament of renewal has itself undergone renewal since the first edition approved shortly after the Second Vatican Council. Turner highlights important elements within the revised translation including: the history behind the revised order of service and the words of absolution; an explanation of how and why the ceremony was revised after the Council; changes for communal reconciliation services; and the first translation of proposed examinations of conscience to prepare a community for reconciliation. This commentary invites all Catholics to consider the sacrament anew by preparing a spiritual path upon which the faithful may walk in search of forgiveness and experience a profound encounter with the mercy of God.

A JOURNEY THROUGH THE CATECHISM: UNVEILING THE TRUTH, BEAUTY AND GOODNESS OF

THE CATHOLIC FAITH

Fr. Daniel J. Mahan

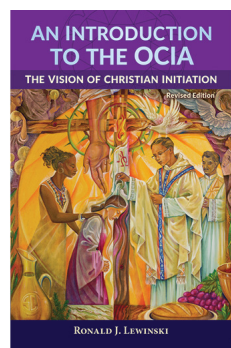

Building on Michael Pennock's longtime best-seller *This Is Our Faith: A Catholic Catechism for Adults*, this fresh companion to the Catechism of the Catholic Church retains the favorite question-and-answer format while incorporating the pastoral voice of Fr. Daniel J. Mahan, director of the USCCB's new Institute on the Catechism. With clarity and compassion, Fr. Mahan tackles challenging questions about God, faith, and the church. When answers are difficult, he offers practical wisdom, encouraging readers to keep seeking and trusting in the God who seeks them first. Organized around the four pillars of the Catechism—creed, sacraments, Christian life, and prayer—*A Journey through the Catechism* combines personal reflections, sound reasoning, and real-world examples to help Catholics: profess their faith; worship meaningfully; live morally and justly; and develop a life of prayer. Perfect for homilists, OCIA catechists, parish groups, and individual seekers alike, the Lectionary guide also provides discussion questions for use during Sunday dismissal sessions and weekday catechesis.

AN INTRODUCTION TO THE OCIA: THE VISION OF CHRISTIAN INITIATION, REVISED EDITION

Ronald J. Lewinski with updates by Victoria M. Tufano

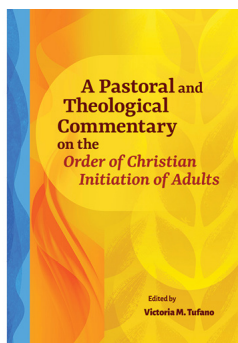

The Order of Christian Initiation of Adults (OCIA) is the Church's ritual for welcoming and forming adults and children of catechetical age in the way of Jesus as it is lived in the Roman Catholic tradition. In this resource, Fr. Ronald J. Lewinski provides a basic and thorough introduction to the Church's vision for the process of Christian initiation, guiding initiation ministers through the various rituals and steps of the OCIA through the lens of conversion, evangelization, and discipleship. This book is an excellent resource for new and experienced initiation ministers as well as for those who seek a deeper understanding of how the Church welcomes and initiates adult Catholic Christians. This revised edition has been updated to reflect the new translation of the *Order of Christian Initiation of Adults*.

A PASTORAL AND THEOLOGICAL COMMENTARY ON THE ORDER OF CHRISTIAN INITIATION OF ADULTS

Edited by Victoria M. Tufano

The recent retranslation and US adaptation of the Order of Christian Initiation of Adults can be seen as the work of the Second Vatican Council continuing to unfold, fulfilling the council's mandate to draw up texts and rites so that they "express more clearly the holy things that they signify" (Sacrosanctum concilium, 21). In this present volume, *A Pastoral and Theological Commentary on the Order of Christian Initiation of Adults*, fourteen authors—all scholars and pastoral ministers steeped in the Church's living liturgical tradition—help us appreciate this unfolding more deeply by presenting the historical development and theological significance of the OCIA rites and texts, thus enriching our pastoral practice.

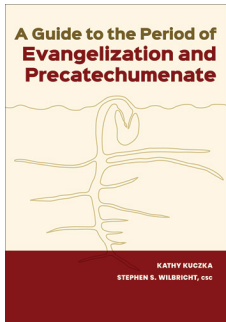

Introductory essays present a contextual foundation, including discussion of historical and theological roots and an exposition of Christian Initiation: General Introduction. Then, following the structure of the OCIA, eight chapters of commentary concentrate on each stage of Christian initiation, from acceptance into the Order of Catechumens through the Period of Mystagogy, including chapters on the Rites for Particular Circumstances. Further commentaries on the musical enrichment of the rites and on the newly revised National Statutes for the Catechumenate round out this panoramic, yet accessible, view of the rites of the OCIA.

Angela Darrow Flynn, Joe Paprocki, Stephen S. Wilbricht, C.S.C.

The period of the catechumenate is rich with opportunities for catechesis, and the Order of Christian Initiation of Adults presents four ways that catechesis occurs during that time for the unbaptized. A Guide to the Period of the Catechumenate breaks open each of those ways of catechizing by first exploring the approach of catechesis accommodated to the liturgical year, then by providing suggestions on how to introduce catechumens to the Christian way of life.

A GUIDE TO THE PERIOD OF MYSTAGOGY

Corinna Laughlin, Mary A. Wax, Stephen S. Wilbricht, C.S.C.

After the excitement of the Easter Vigil, the period of mystagogy can often be overlooked by the initiation team and the neophytes. However, it is an essential part of the Christian initiation process because it helps the neophytes deepen their relationship with Christ and with the Church. Mystagogical reflection is an important part of the spiritual growth of all parishioners—from neophytes to lifelong Catholics—because it invites the faithful to reflect on their encounters with Christ in the sacraments and then consider the transformative effects those encounters have on their daily lives. A Guide to the Period of Mystagogy encourages members of the initiation team to make the most of this period and provides practical support to do so.

FULL COMMUNION WITH US: THE RECEPTION OF CANDIDATES IN THE OCIA

Paul Turner

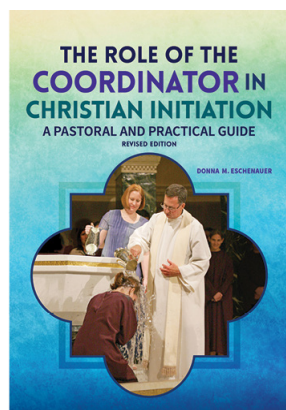

The Order of Christian Initiation of Adults offers pathways for preparing both unbaptized catechumens entering into the Christian life and validly baptized Christians of other denominations who seek to enter into the Catholic Church. However, there is often confusion about the proper ways of accompanying those who are already baptized and celebrating the sacraments of initiation with them. In *Full Communion with Us*, Paul Turner provides an in-depth analysis of the pages of the OCIA that concern baptized candidates, with guidance that takes seriously both the liturgical rites and the Catholic Church's ecumenical commitments. Those who are preparing the formation as well as the liturgical celebrations pertaining to baptized candidates will find this an invaluable resource.
